Children Cry for Pitcher's Castoria

This Dog Knew Too Much. Jack, an Irish setter whose home is in Maiyland, has the regular duty of bringing the mail from the letter box at the gate, the house standing well back from the road. His family were anticipating a two weeks' visit to New York and proposed sending Jack to the country during their absence. Jack's wishes in the matter were not consulted, and he was not invited to take part in | Da. Plans Furnished and Estimates Made the discussion, but that he listened was proved by his actions. It was decided to statt on a Tuesday evening, provided a letter were received by the morning's mul. It did not come, however, nor in the afternoon, when Jack brought up a whole batch, and to his satisfaction no one left home Several days, passed. Then a telegram came inquiring what was the matter. An exchange of letters disclosed the fact that the promised letter was written and should have been received when exp and A search, into which Jack was impressed, much against his will, discovered the missing letter hidden in a hencoop, and it bere unmis-

Now, it is not to be supposed that Jack could read or distinguish handwriting, so his keen nose must have recognized the writer, who was a frequent visitor, of whom he was very fond, but only from listening to the talk could be have connected that person with the plans for departure. This is the only instance of Jack's ever betraying a trust, but the sagacity evinced was so great that confidence in him was increased instead of lessened by it.-Demorest's Magazine.

To Neutralize Oftensiveness. Impure breath, caused by bad teeth, tobacco, spirits or catarrh, is neutralized by SOZODONT 'Tis a healthful beautifier, and a great luxury as a dentifrice. The repulsive breath is by its use rendered as fragrant as a rose, and coldness by friends or lovers will no longer be noticed

DIED.

ANDREWS—In Reno, Nevada, April 14, 1894, Benjamin H. Andrews, a native of Califor-nia, aged Bl years.

Only the Scars Remain.

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc.," writes HENRY HUDSON, of the James Smith Woolen Machinery Co.,

ago, at the age of 18 years, I had swellings come on my legs, which broke and ecame running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old mother urged me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the cars remain, and the memory of the past, to remind me of the good

tral City, Colorado, the vote for Alderman in the first ward was a tie between Stephen Hale, Populist, and S. A. Rank, Republican. The contest was DR. HOGAN TO MR. FULTON.

tion of Law, but the Law Itself. To R. L. Fulton:-When I first read your criticism of my article that appeared in the Reno JOURNAL of March 22d, I confess to you that I was more than surprised, not that I had been criticised, but upon a subject, to which in my article I had at no time, in any place made the least reference. That

I had committed some egregious blunder, I could but believe when you so boldly asserted it, and in confirmation fired the Constitution of the phites. Good appetite begets United States at me, but in another column of the same issue of the Jour-NAL, its editor had picked up and hurled that same Constitution at your head and fully justified me in my use of the word value. He not only justified me, for which I thank him, but threw you into a quicksand, from which you have no possible means of escape, except to take your back tracks.

Had you scanned my article with a little more care and attention, you would have found in it nothing more than an earnest effort to free the minds

Why, anyone could have written it. That earthly vicegerent of Mammon, that porcine embodiment of greed, that demon of averice, treason and perfidy, the Hon. John Sherman, whose brilliant leadership every true Republican, who holds the success of his party of greater concern than the liberty of his have written it; his full brother in vil- he has since lived. He went to school than never." lainy, the festive, sport-loving Grover here in Reno, and also was a student out his fishing smack to have a jolly he took the commercial course. good time, while the wails, groans and appeals of millions of his famished subjects go out to him in vain for succor and relief, could have written it; any of our Democratic or Republican Congressional jumping-jacks, who howls himself hoarse for or against mourn his death. high tariff, for the same reason that a paid attorney talks upon either side of a question could have written it; either of the illustrious gentlemen who a few weeks since, at the Opera House, proved beyond a possibility of a doubt, that the Republican party is the fountain from which all streams of goodness flow, and then it demonstrates to a mathematical certainty that the Republican party 13 overwhelmingly, almost unanimously, in fact, in favor of free coinage, brought forward the official vote which showed that where ten of them voted for free silver, fully one hundred voted against it, could have written it, and not one of them

The person criticising the writings, teachings or views of another should be thoroughly conversant with and know what those beliefs are, for unless he is, his intended criticism only too frequently fails to strike its mark, and like the boomerang, returns to and wounds the person sending it out. That a gentleman of your ability and Nevada last evening. The committee attainments should have so utterly reported progress and stated that the Greenbackers, or if you choose, my teachings, as your own declarations California to remain about a month or clearly prove, I can hardly credit. I

would ever have been suspected of the

damnable heresy of greenbackism.

here quote your words: Dr. Hogan's study of finance has Charley Nash and John Shaver will brought him to the place where every take a spin to Virginia City to-day on man must land who embraces the theory that money obtains its value from legislation instead of from the

materials out of which it is made. I do not believe "that money obtains its value from legislation," nor can you show one word in my later writings that justifies you in making that assertion. I have taught just the contrary, that money is not a value, nor a creaed upon some substance, and that the value of the substance upon which the law is stamped is never a consideration in the debt paying power of money; that paper serves to carry that law as well or better than gold or silver, and that the gold in the gold piece, the silver in the silver piece or the paper piece, when consecrated by the impress of the seal of sovereign, as money, can, nor does it ever serve any other purwill or law to all his subjects. I here many, many times in the past. That you understand what I mean, I have if you choose to claim it, but it does arise from a false belief, so grounded in the mind as to dethrone reason upon that subject, a belief as old as the history of the world, that gold is the pure embodiment of value itself, and that in all trades where value is given, value must be returned. In all barter transactions this is true, and in all trade between foreign countries, for that is necessarily a barter traffic, but where money is promised and paid, values are not exchanged. Money has worth, but

And the Clad Result of Taking HOOD'S. "C. I. Hood & Co., Lowell, Mass.:

"Last March I had to give up work, 'completely worn out.' I felt tired all the time; had frequent headaches, and spells of dizziness; I had no appetite, and what little I did eat, distressed me terribly. My wife was feeling about the same. I went to the drug store, and called

fust as good. I bought a bottle and carried it home, and wife and I took it faithfully. That bottle was finished and we could see no improvement. A second and then a third bottle followed, when my wife declared she would take it no longer, as she believed she felt worse than she did before taking it. We put the third bottle away half full; and I went to the drug-store and got a bottle of Hood's Sarsaparilla, and a box of Hood's Plils. In less than a week

We Began to Improve. left us gradually, and after taking five bottles, we called ourselves we'll; and give Hood's Sarsaparilla the credb it descrees. Whenever I take a severe cold falways take three of Hood's Fills at night, and in the morning find my cold broken. Lood's Sarsaparilla and Hood's Fills are a complete medicine chest in themselves, and I heartily recommend them to everyone." ELWIN C. CHASE, Bothell, Washington.
